Thanks James. It looks great. Minor point is the note at the end of the bullet still says 674 pages. The updated table now has 725 pages and the size could also be different.

Christine or somebody - As you have done previously, could you please update the EPA Region 3 web page for Pennsylvania ( <http://www.epa.gov/aboutepa/states/pa.html> ) under the "Dimock, Pa. Activities heading as follows:

Can you update the bullet below so that it says "61 Dimock households" instead of "59 Dimock households"

"Validated data summary report for 59 Dimock households that were sampled."

Also, can you change the link so that it goes to the updated chart. Here is the new link:

<http://www.epaossc.org/sites/7555/files/Dimock%20W1,2,3,4,5%20Compulation%20Report%202.pdf>

Once again, thank you for the assistance and let me know when the link has been updated.
